I PLEDGE

Not to be a party to underage drinking

Teen years can be challenging for youth, parents and the community. Young people deserve to gather and socialize without the risks that alcohol presents. I support schools, law enforcement, parents and the community in creating an environment that reduces underage drinking and associated problems.

By signing this pledge I agree.....

- To not purchase or provide alcohol for anyone under the age of 21
- To supervise all gatherings in my home or notify a neighbor or other responsible adult when we go out of town
- To make every effort to ensure I know where my kids are going, whom they'll be with and what they'll be doing
- To contact law enforcement if I suspect anyone of buying, providing or furnishing alcohol for underage persons
- To not assume that, "My child would never engage in risky behaviors." Believing this is risky in and of itself
- To comply with the San Diego County Social Host Ordinance (No. 9791)

THANK YOU for your concern and support of youth in our community!
